CLASS OF 80

Bob, Well, thanks for warning me about flying cooking! Well, I'm glad I met you this year you're really a nice guy. Next year- sure we'll have to talk more okay? Well, this summer am I gonna see you and have getting into trouble some place. Have one rover of a summer and don't party too much. I'll see you this summer. Cheerfully Love, Jeanne Kim

Bob,

Before doing anything, check out page 39 on top. You like that, huh, "Sly Devil". You must feel great, you actually have my signature, "Clyde". The year is finally coming to an end. The class was fun but the teacher was weirded out. Volpi is a great teacher. We have to play tennis one of these day's. The beach sounds like a good idea. We 
should camp out one night and party all night. Well enough with the bullshit. Are you going to Washington to visit this summer? We all will go to Day on the Green #3 together, AC⚡DC, Cheap trick, Aerosmith. The only reason you are getting an "A" in here is cause Volpi is a fellow Italian. That is why she is so weird. Japs rule this earth and you know it. (HA! HA!) Well it is time to say Good-bye and good luck in the future. Don't get to wasted and blitzed.

Bob,

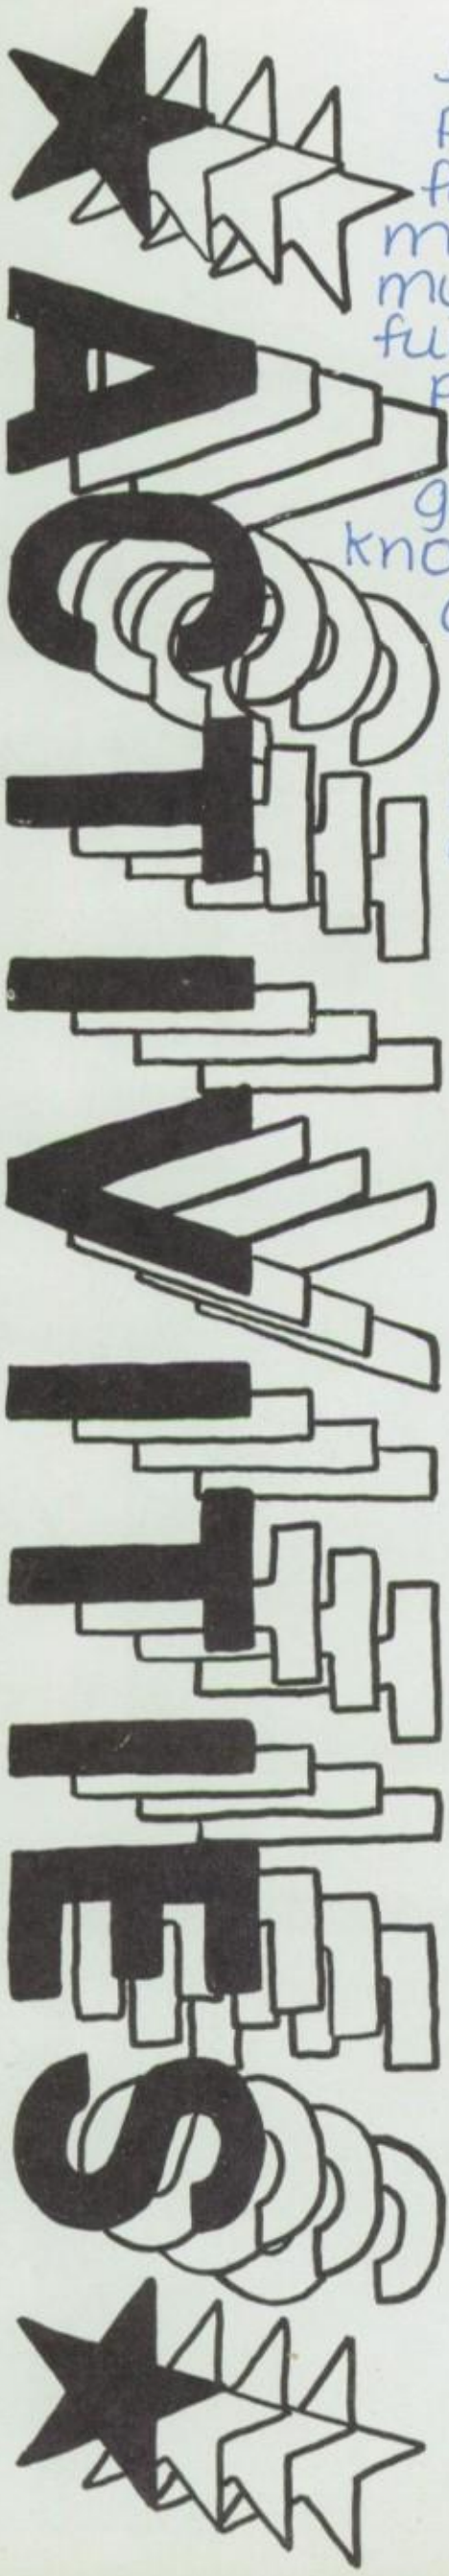
French sure was harder this year than last year. It was fun though. Its surprising mrs Valpi survived all of her heart attacks. Its bad she is leaving, she is a good teacher. your personality helped to brighten up the class. I hope we have other classes together next year. We'll be fun. Thanks for being the sweet person you are. Take care, but still have fun this summer.

Love,

Tisha G.



Bob, (Robert, Emidio, fart!)
Just kidding! It's been a pretty good year and it was fun having you in science and math. I hope I have you in more of my classes next year cuz your kinda funny, sweet and nice. (sometimes you're pretty disgusting, gross, and dumb!) But on the whole you're a pretty neat guy. Have a super summer which I know you'll spend on a constant high, and I'll see ya next year!

P.S. That's too bad about Lisa, but I know you'll find another.

Later days,
Love,
Dorice

P.S.S. You're such a pervert!!!

P.S.S.S. I'm not a freshman anymore so you can't call me a punky freshman!

P.S.S.S.S. BYE!

also, that stuff you do with your hands during math, really bugs the shit out of me!! so I wish you'd STOP doing it!

P.S.S.S.S.S.S.
JUST kidding!

FRANCE

It's great fun to be an exchange student in Blackford where everyone is so nice with me. I really enjoy American school which is so different from the French high school. All your activities are so interesting, and the American people so weird but funny to live with. Really it's great. Cependant Blackford peur erie fieve et contente d'avoir acceuilli une francaise si speciale en son genre. You are very lucky.

Hannu Siitarinen

FINLAND

This year I'm spending with you has been one of the most exciting of my life. I found out a lot of new things for myself. School seems to me almost like a little society with all the different clubs and school teams. In my own country we have no such things. The school is a place where you go merely to learn. Here the school spirit is super, and it has made me think that school can also be more enjoyable. There are fewer subjects and not so much studying. I'm very thankful for all you people making this a great year for me.

Carina Molander

SWEDEN

Being an exchange student in California has been a very exciting and nice experience for me. The American school is more of a social thing than a Swedish school. Here every student can take part and participate in a lot of things, like different kinds of commissions. They can also participate in sports, which we don't have in Sweden. Since I like to participate in sports, I really enjoy this. I would like to thank all students and teachers at Blackford that I learned to know, for being so nice and friendly. I really hope I will be able to come back to California again and have a time as nice as this year has been for me.

Howz-it goin bob ol' ~~bo~~ buddy. It's been a really great year. French has been really great. Sometimes you amaze me by getting the answers right. Van Halen was really great. It's to bad you got to sit next to those honeys. What I would give to be in your seat. To bad you weren't like Kevin, He got ~~high~~ high just off the smoke. Then you could save some money. Wait till next year. My Senior year, I'm gonna party out the whole time. If I go to any concerts this summer I'll give you a call. anyways have a great summer. Keep up the party hardy.

BOB, HAVE YOU STOPPED GOING IN CIRCLES YET? THIS ISN'T THE BEST OF A → CIRCLE BUT IT WILL DO. I'M GLAD I HAD A CHANCE TO GET TO KNOW SUCH A NUT IN THE SCHOOL. JUST MAYBE WE CAN GET SOME CLASSES TOGETHER FOR NEXT YEAR.

Love,
TARA

Bob,
I'm glad I got to know you this year. It was fun having French with you. You are such a nice guy! I hope we have some classes together next year! Have a fantastic summer.

Blackford brings back so many memories of our years together

Laughing at all the dumb things we did as freshmen

Acting like we were the best when we were seniors

Claiming that our school was the <u>best</u>!

Keeping so many secrets that we all shared together

Finding out what life is really all about

Opening our hearts to one another to find the real person inside

Remembering the joys, the sorrows, the good times and the bad

Developing to be individuals that will succeed in life
